Dear Hloni,

## LONG WALK TO FREEDOM – EMPLOYMENT STATS

We detail hereunder a summary of the indicative figures for employment as requested. These figures are direct employment figures and do not include indirect jobs via Supplier Agreements eg. Average of 20 catering staff supplied by the Catering Company not included as we paid the Catering Company and they in turn paid the catering staff likewise for numerous other service companies used by the production.

Kindly also note that even though some of the "extras" may have been employed for different days, they have been treated as separate employees for the days worked and the Payroll Company have indeed issued separate IRP5's for these individuals for the respective days worked.
