### Conference Details

Dear Colleague,

Complements of the season, without wasting much time I would like to give you the necessary information and details required to participate in the events, in case you have not heard or gotten response from the secretary.

The purpose of these events is to equip participants with the strategies and policies for better development and sustainability consciousness.

Global Mission for Sustainable World being one of the largest professional association of the sustainability minded organization, organizes conferences, workshop, seminars and/or awareness programs by providing the technical and other supports to improve research and development activities, publishing high quality academic international journals on sustainability and development.

Areas of Interest includes:

- Sustainable development
- Environmental education
- Ecological sustainability
- Poverty
- Community education
- Renewable energy
- Quality Education
- Gender Equality
- Clean Water and Sanitation
- Affordable and Clean Energy
- Climate Action
- Peace, Justice and Strong Institutions
- Partnerships for the Goals

**PARTICIPANTS REGISTRATION:** Participants can register as an individual, a group or as representative/representatives of an institution/Company. A group is made up of a minimum of 3 persons (Non-author participants are advised to form a group). Representative of institutions will be registered as a company and will pay the associated fees and others will be registered according to the declared categories.

**GROUP:** Participants are encouraged to form groups, especially non-author participants that is participants that did not submit any papers for presentation and therefore will not be presenting any paper at the event. A group is made up of between 3 to 12 persons.

Participant Registration Fees covers:

- Welcome reception
